THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Brentwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Brentwood Fire House in said Brentwood on Tuesday, the 8th day of March next, at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to accept the following additions and amendments as proposed by the Planning Board, to the Brentwood Zoning and Land Use Ordinance, Building Ordinance; required by law to be voted by ballot with the vote for Town Officers.

PROPOSED CHANGES AND ADDITIONS TO THE BRENTWOOD ZONING ORDINANCE

Amendment I

Amend Article III, Section 7 by adding a new (D) to read:

(D) In order to safeguard the public health, safety and welfare, to avoid undue concentration of population and in accordance with the other purposes stated in RSA 31:62, all campgrounds shall be subject to the following regulations and standards:

a. They shall not be occupied or used for residential or domicile purposes. Registration to vote, registration of children in the Town's school system, stating residence in a campground, or other indicia of an intent to claim Brentwood as a residence or domicile by any person occupying a campground shall be prima facie evidence of use of a campground for residential or domicile purposes.

b. During the camping off season from October 15 to May 1 each year the stay of any camper (that is a person using a tent and/or recreational vehicle as hereinafter described) shall not exceed 1 month in duration.

c. Camping shall be restricted to tents and recreational vehicles consisting of pick-up truck campers, travel trailers (designed for recreational use, but not including mobile homes) and self-propelled motor homes. A "mobile home" is a trailer exceeding 40' in length.

d. Campgrounds shall meet all State and Town standards and requirements for sewage disposal, water and utility systems.

e. These rules will apply to new campgrounds or expansion of use or area of any campground which may exist as a valid pre-existing use.

Amendment II

Amend Article IV Section 2 by striking the word "building" in two places; line one and nine.

Amendment III

Amend Article IV Section 2 by adding new paragraph (B) to read:

(B) As part of Subdivision approval the Planning Board may approve lots not meeting minimum requirements for use as open space, buffer zone, reserve space, parks, recreation area, or similar uses, subject to such reasonable terms and conditions as the Planning Board may require.

Amendment IV

Amend Article V, Section 3 (A) by striking out the word "building" on lines one and three.

Amendment V

Amend Article V, Section 3 (B) by adding # 8. to read:

8. As part of Subdivision approval the Planning Board may approve lots not meeting minimum requirements for use as open space, buffer sone, reserve space, parks, recreation area, or similar uses, subject to such reasonable terms and conditions as the Planning Board may require.

Amendment VI

Amend Article I of the Building Ordinance, Section 2 (A) 1. by deleting the fee schedule under "Value of Construction" and adding:

$ .00 to 3,999.	$10.00
$4000.00 and up	$ 2.50 per thousand in valuation

Amendment VII

Amend Article I of the Building Ordinance, Section 2 (A) 2 by deleting:

Septic system (per inspection)	5.00
Driveway permit	5.00

Amendment VIII

Amend Article I of the Building Ordinance, Section 2 (A) 3 to read:

All above fees are payable in advance to the Town of Brentwood. Inspectors shall be entitled to 90% compensation for their services.

Amendment IX

If amendment VIII passes, delete Article I Section 2 (A) 4 in it's entirety.

Amendment X

Amend Article I of the Building Ordinance, Section 3 (F) by adding:

Dwelling, for purposes of this provision, shall be defined as any structure, mobile home, trailer of any type or other vehicle, or building being used as a permanent living space or temporarily being used for purposes of establishing a residence in the Town of Brentwood.

Amendment XI

Amend REQUIREMENTS FOR SITING SEPTIC SYSTEMS ORDINANCE by striking out the word "building" in reference to lot on the first line.

Amendment XII

Amend REQUIREMENTS FOR SITING SEPTIC SYSTEMS ORDINANCE by making item I item J and adding new I to read:

Not less than two (2) test pits and percolation tests shall be required within said 6,000 cont. sq. ft. The pits shall be dug and the percolation tests shall be performed in such locations as may be necessary to establish that the said 6,000 cont. sq. ft. comply.

Amendment XIII

Amend REQUIREMENTS FOR SITING SEPTIC SYSTEMS ORDINANCE by changing item J. to read:

A member of the Board of Selectmen or their agent shall witness all percolation tests and test pits and sign the plan certifying that said person was present during the tests. A fee of $25.00 payable in advance will be paid to the Town. Witness shall be entitled to 90% of the fee.

Given under our hands and seal, this 8th day of February, in the year of our Lord, nineteen hundred and eighty-three.

Selectmen
of
Brentwood

THE POLLS WILL BE OPEN FROM TEN AM TO SEVEN PM (10:00 a.m. to 7:00 p.m.)

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Brentwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Brentwood Fire House in said Brentwood on Thursday, the 10th day of March next, at 7:00 of the clock in the evening, to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

2. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary to defray Town expenses in anticipation of taxes.

3. To see if the Town will vote to authorize the Selectmen to accept and expend such sums of money as may become available through the Governor's Crime Commission Fund, the Federal Manpower Fund, the Additional Highway Subsidy Fund, or any other Federal, State, or Town monies or Private Funds which may become available.

4. To see if the Town will vote to authorize the Fire Wards to accept and expend such sums of money as may become available through the Federal, State, County and Town and any other gifts or grants that may become available for the use of the Fire Department.

5. Submitted by petition.

   To see if the Town will vote to authorize the Selectmen to accept competitive bids for the installation of Cable Television lines within the Town of Brentwood.

6. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund for use as set-offs against budgeted appropriation for the following specific purpose and in amount indicated herewith or take any other action hereon:

   Highway Maintenance $16,000.00

7. To see if the Town will vote to establish a Recreation Commission under RSA 35-B:1 through 35-B:7, consisting of a 5 person board appointed to staggered terms as per Article 35-B:4 and 5, and with the powers delegated to them by the Selectmen under Article 35-B:3-II, III, IV, V, VI, VII and VIII.

8. To see if the Town will vote to enact the following By-Law providing for the Regulation of Large Assemblies:

BY-LAW PROVIDING FOR THE REGULATION OF LARGE ASSEMBLIES

PURPOSE:

The Town of Brentwood finds and declares that is is necessary for the protection of the health, safety, and welfare of the general public and for the inhabitants of the town that rules and regulations be established for the purpose of regulating large assemblies. Such rules and regulations to provide for proper sanitary, fire, police, health and safety measures in connection with large assemblies and gatherings.

ACTIVITIES REGULATED:

This by-law, including the requirements for permit and application, applies to any assembly or gathering of persons within the Town of Brentwood for the purpose of entertainment, games, shows or exhibitions at which two hundred (200) persons or more may reasonably be expected to be present. This by-law shall not apply to gatherings for religious or political purposes unless the primary purpose for such gathering is the raising of funds and the primary activity at the gathering is an entertainment, game, show, exhibition, amusement or other activity otherwise intended to be regulated by this by-law.

PERMIT REQUIRED:

It shall be unlawful for anyone to allow, permit, promote, conduct, or advertise any such assembly or gathering unless a valid permit has first been obtained therefore from the Board of Selectmen.

PENALTY:

The violation of this by-law shall be deemed a violation and shall be punishable by a fine not to exceed $100.00 payable to the Town of Brentwood. Every day a violation of this by-law continues shall constitute a separate offense. Additionally, the Board of Selectmen are authorized and directed to take whatever legal action they deem appropriate including seeking injunctive relief in the Superior Court to enforce or avert any breach of this by-law. In the event of any such action, the Town, provided it prevails, shall be entitled to collect from the Defendants all costs and expenses of the litigation including but not limited to reasonable attorneys fees.

REQUIREMENTS FOR APPLICATION

A. Application

An application for a permit must be submitted to the Board of Selectmen at least thirty (30) days prior to the date on which the event is to be held. If the application is not approved the denial shall be in writing setting forth the reasons for the denial.

If the Selectmen find that the event is likely to occasion damage to municipal property or property of private parties or if they find that it is likely that the Town will have to make expenditures in connection with the event, the Selectmen in their discretion, may require a bond in the form of cash or other surety to be posted by the promotor prior to the date of the event, to satisfy such damages to public or private property, reimbursement for the expenses of any town department, and any or all other expenses incurred by the town as a result of the event.

Any or all unexpended funds from said cash or surety shall be returned to the promotor within ten (10) days following the event unless there remain contingent liabilities such as court appearances by Town police officers which have not been determined. In that event, the Selectmen may set a reasonable reserve for all such contingent liabilities.

B. Requirements

The applicant shall furnish the Board of Selectmen with the following information:

1. The name and address of the owner of the land involved and the exact location on the land where the activity is planned.

2. The name and address of the owner of land to be used for parking or other ancillary uses incidential to the activity and the location on said land of the ancillary activity.

3. The date or dates and hours during which the event is proposed to be conducted.

4. An estimated number of attendees for each day the activity is conducted.

5. An explanation of the content of the program of the event and plans for supplying water, food, sanitation including but not limited to sewerage, garbage and rubbish, medical and first aid facilities, vehicle parking space, on site traffic control, wrecker service, and plans for maintaining vehicle routes to allow for emergency vehicles access to the event.

6. Explanation of the applicant's plan for policing the activity should more persons attempt to attend the event than allowed by the permit.

7. Provisions for clean up of the premises and surrounding areas and removal of rubbish at the conclusion of the event.

8. Such other information pertinent to the event as the Selectmen or any other officer of the Town finds is reasonably necessary in order to determine whether or not the permit should be granted.

9. The number of public health and safety personnel by type. The applicant must provide an adequate number of fire and policemen, first aid practitioners, and other public health and safety personnel, such personnel shall have qualifications which, at a minimum, are equivalent to those required of the town's fire, police and safety officials.

10. The applicant shall, in his application, disclose whether or not alcoholic beverages are to be sold on the premises and if they are to be sold, a copy or other verification of the liquor license under which the sale will be made shall be attached.

C. Additional Information

1. Drinking water

The applicant shall demonstrate that the source of the drinking water is adequate and shall demonstrate to the health officer that it is of potable quality.

2. Sanitary Facilities

The applicant shall provide adequate toilet facility for both sexes. A minimum of one (1) water closet, chemical or sanitary privy unit must be supplied for each one-hundred fifty (150) persons.

3. Parking

The applicant shall have on the premises or on land contiguous thereto automobile parking spaces equal to one-fourth of the number of persons allowed to attend the event.

4. Hours of Operation

The applicant shall operate the event only on the days and hours specified on the permit.

5. Control of Admission

The applicant shall not sell, give, or distribute a greater number of tickets than the number which the permit allows.

6. Advertising

The applicant shall not advertise, or announce by any means or medium, including, but not limited to, phamplets, handbills,

newspapers, press releases, radio or television, the holding of such event prior to the granting of the permit.

7. Illumination of Area

The applicant, if planning an event after darkness or if planning to allow persons who attend the event to remain on the premises after darkness, shall provide electric illumination to insure that the areas to be used are adequately lighted.

8. Permit not Transferable

No permit granted under this by-law shall be transferable to another location, another person, or entity, or another date without the approval of the Board of Selectmen.

The applicant, if not the owner of the parcel or parcels on which the event is proposed, shall have the written authority of said owner to make application before the Board.

MUNICIPAL ACTION:

The selectmen in approving or disapproving of an application shall weigh the effect on the health, safety, and general welfare of the inhabitants of the town and those attending the proposed event, against the constitutional rights of people to assemble freely. It is specifically found by the Town Meeting convened that large assemblies, particularly for purposes of entertainment, have resulted in one or more of the following nuisances to private citizens and the public at-large within the town, namely:

a. loud and unpleasant noise;

b. congestion on state and municipal roads in the vicinity of event.

c. unsafe driving by spectators at the entertainment facility, particularly while driving under the influence of alcohol and controled substances;

d. litter and rubbish on the property in questions and abutting properties;

e. parking of participant automobiles in an unsafe manner on public ways and on private properties of persons not connnected with the event;

f. other miscellaneous nuisances.

It is recognized by the town that the Federal and State Constitutions guarantee all citizens the right to assemble for purposes of free practice of religion and speech, among other things. This by-law is not intended to control religious or political gatherings except when a primary function of those gatherings is an entertainment activity of the type here clearly intended to be regulated.

It is recognized that an event or a facility which is appropriate for four hundred (400) people may not be appropriate for four thousand (4,000) people, an event which is appropriate for daylight may not be appropriate after dark, an event which is appropriate before 11:00 p.m. may be inappropriate after 11:00 p.m. an event which is scheduled for attendance by ten thousand (10,000) people with no on site alcoholic beverage sales may not be appropriate for the same number of attendees with a performer appealing to teenagers and with on-site sale of alcoholic beverages. Given the wide variety of activities meant to be regulated by this by-law and the presence within the town of facilities capable of accommodating several thousand people, it is

hereby found that the selectmen are able to make determinations based on past experience.

The board shall act within fifteen (15) days of receiving an application and shall approve, deny or approve subject to certain conditions, every applications placed before it in accordance with this by-law. Such action shall be conveyed in writing to the applicant.

The selectmen shall, in their posted notice of their meeting indicate that an application shall be discussed and shall further indicate in the notice the location of the property where the event is to take place.

9. To see if the Town will vote to restate in full compliance with RSA 154:5, the decision of the 1951 Town Meeting to entrust the Firewards as presently constituted with the authority to appoint the Fire Chief for the Town of Brentwood and to conduct such proceedings and hearings as may be authorized in regard to his removal, only for just cause shown after reasonable notice in writing of the charges against him.

10. Submitted by petition.

To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Brentwood and to the health and welfare of the people of Brentwood.

11. Submitted by petition.

To see if the Town will vote to elect the Road Agent at the Annual Town Meeting under the provisions of RSA 245:9.

12. Submitted by petition.

To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars ($500.00) for the continuation of the Mediation Program.

Not recommended by the Budget Committee.

13. Submitted by petition.

To see if the Town will vote to raise and appropriate the sum of Five Hundred Fifty-four Dollars ($554.00) to assist Rockingham Child and Family Services, a private, non-profit organization.

Not recommended by the Budget Committee.

14. Submitted by petition.

To see if the Town will vote that real estate property taxes shall not exceed .0232 of the full and true value in money of any real estate in the Town of Brentwood in 1983 or any year thereafter; limiting the 1983 tax rate to $23.20 per thousand.

15. To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Eight Hundred Dollars ($16,800.00) for the purchase of a used fire tanker to replace the tanker which was totalled in an accident in October, 1982. (The sum of $16,800. represents the amount received by the Town in insurance claim and salvage value.)

Recommended by the Budget Committee.

16. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars ($10,000.00) for the purpose of building a salt storage shed on Town property on Scrabble Road.

Not recommended by the Budget Committee.

17. To hear the reports and recommendations of all Committees and Commissions and to take any action necessary in regards to said reports.

18. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord, nineteen hundred and eighty-three.

Warren A. Brown, Treasurer

REPORT OF TOWN AUDITOR

I have examined the books and records of the Town of Brentwood Officers and have found them, in my opinion, to represent a fair and accurate cash position for December 31, 1982. The Treasurer shows a balance of cash on hand totaling Two Hundred Twenty-six Thousand, Seven Hundred Twenty-five Dollars and Seventy-three cents ($226,725.73)

Respectfully submitted,

William F. Nelson, Auditor

Town of Brentwood, N.H.

MARY E. BARTLETT MEMORIAL LIBRARY

1982 has been a year of change at the library. Librarian Ruth H. Brown resigned at the end of October after five years of dedicated service. A reception in her honor was held at the library on November 21. Ruth received many gifts and wishes for a happy and well-deserved retirement.

Mrs. William (Diane) McCain, who served as substitute librarian, was appointed by the trustees as the new librarian.

Lucretia Ganley resigned from the Board of Trustees in September and Marilyn Morehead was appointed by the Selectmen to fill the vacancy.

In December the library acquired a new look when some of the old non-adjustable shelving was replaced with new steel library shelving. The old desk, work tables, and card file were replaced with a new oak circulation unit and card file. These units provide sturdier, more efficient, and larger work and storage areas for the librarian. All of this was made possible by use of a portion of the bequest from George H. Beyea Jr.'s estate.

The Friends of the library continued to be active. They held story hours, a summer program, and provided service to shut-ins and the County Home. Also, they donated some much needed non-fiction books to the library.

We would like to give special thanks to Warren and Ruth Brown for their time and devotion to our library; we appreciate all they have done to make our library a pleasant place to visit.

Thanks also go to Lucretia Ganley for her service on the Board of Trustees; Mrs. Grace Wood for her faithful volunteering at the library; the Byrne family for mowing the lawn; Bob Sanborn for keeping the driveway plowed; Leslie Webb for her service to shut-ins and residents at the County Home; Tom Knutsen for his help with various projects; our many friends and patrons who have donated books, magazines, time and much more to help improve our library.

Also, thank you to our new librarian, Diane McCain, for her enthusiasm and hard work in the short time she has been with us.

Respectfully submitted,

Janice Knutsen, Chairman, Board of Trustees
Linda Matson
Marilyn Morehead

REPORT OF THE FIRE DEPARTMENT

To the Board of Selectmen and
the Citizens of Brentwood

The Brentwood Fire Department has undergone many changes in 1982. A new tank was installed on the 1962 White tanker in May, replacing the original tank which developed severe leaks in the month of March. Sadly, the new 3500 gallon tank and 1962 White chassis were destroyed in an accident in October. The unit was completely covered by insurance and, upon settlement of the claim, will be replaced. The insurance however, will never replace the hundreds of man hours donated by Fire Dept. mechanic and engineer, Craig Brooks, and other memebers of the department who completely restored and rebuilt the tanker prior to the accident.

In July, the Brentwood Volunteer Rescue Squad became part of the Fire Department. Previously, the Rescue was operating under the heading of Civil Defense. The close relationship between Fire and Rescue will provide the Citizens of Brentwood a more comprehensive Emergency Medical Service. The Fire Department will respond with an engine to an automobile accident to provide fire protection, First Aid, vehicle extrication, portable lighting, etc... The Rescue Squad will respond to structure fires in Town and provide Emergency Medical treatment to victims of the fires and Fire Department personnel on the scene.

Training was a major concern of the Fire Department and a program was initiated by Deputy Chief John Dudley. The firefighters combined have completed over 500 hours of classroom and drill instruction. Officers training has been combined with monthly Fire Wards meetings to provide more efficient communication between Chief officers and the Fire Wards, resulting in better service to the community.

Chief James Fralic resigned in November, 1982 after 15 years of service and dedication. Jim will be missed.

Deputy Chief Norman Byrne was appointed Fire Chief by the Board of Fire Wards.

The following is a breakdown of responses in 1982:

Miscellaneous calls	3	Smoke investigations	5
Building & Structure Fires	11	Mutual aid to other towns	3
Automobile Accidents	7	Mutual aid to Brentwood	4
Automobile fires	2	Drills	10
Chimney fires	12	TOTAL CALLS	57

The Board of Fire Wards would like to thank the Town officials, Citizens, Firefighters, Ladies Auxiliary and the people who man the Red Phone Network for their cooperation throughout the year.

Respectfully submitted,

Norman J. Byrne, Chief of the Fire Department

REPORT OF THE CHIEF OF POLICE

Honorable Board of Selectmen
Citizens of Brentwood

It is my pleasure to submit this report for the year 1982.

This year we have had two officers complete the certification program, John Page and William Vahey. All of the members of the department are now certified to the N.H. Standards for Part-Time Police Officers.

We had two promotions within the department this year, Kenneth Cowan was appointed to Deputy Chief, and Walter Small was appointed to Sergeant.

Motor vehicle accidents have increased for the second year in a row and we had two fatalities.

I would like to thank the citizens of Brentwood, the Selectmen, and all of my officers for their support and cooperation this past year.

The following is a breakdown of the type and number of calls answered by your department this year.

Motor vehicle accident	72	False alarms	68
Domestic disturbance	38	Court	56
Assist other P.D.'s	22	Juvenile	46
Fires	35	Prowler	14
Animal complaints	105	Vandalism	18
Unattended death	4	B & E Larceny	28
Misc. complaints	98	Escaped Prisoner	18

Respectfully submitted,

Gilbert L. Tuck, Chief
Brentwood Police Department

REPORT OF THE BRENTWOOD CONSERVATION COMMISSION

January 26, 1983

1982 was an active year for the Conservation Commission. We are especially pleased to report the Commission is now at full strength.

TOWN FOREST

The plan to harvest selected mature trees and also low quality timber has been deferred until a better market for raw timber exists. The Conservation Commission has been unable to interest a logger in cutting small quantities (approximately 11,000 board feet) each year for three years as was recommended by the county forester. The Commission intends to investigate the feasibility of harvesting about 33,000 board feet during 1983, if the market price improves. The Commission will also investigate the feasibility of harvesting low quality trees for firewood and/or pulpwood from areas which need thinning.

USE OF BRENTWOOD WATER SOURCES BY OTHER TOWNS

The Conservation Commission, at the request of the Selectmen, have investigated the feasibility of other towns using Brentwood's water and the resulting impact on the aquifer south of the present Route 101 near Pine Road. The reports containing the results of this study and investigation are on file at the Selectmen's Office. Also, part of this report was an investigation into the powers of the Town and the Commission with respect to others withdrawing water from Brentwood.

At the request of the Selectmen, the Commission will work with the Planning Board on preparing an acquifer ordinance for consideration next year.

RELOCATION OF ROUTE 101

The Conservation Commission met with New Hampshire State Highway Engineers on two occasions to discuss the impact on the area of the proposed relocation of Route 101. The main issue discussed was the effect of the runoff of contaminated water on the potential aquifer located within the area of the proposed road. As a result of these meetings, the State Highway Engineers have assured the town that the State will provide adequate and proper methods for removal of road salts and other pollutants, which should minimize pollution of the water table near and under the road.

The State Highway Engineers also recommended that the town take water test samples from wells, springs and streams near the proposed highway location and to monitor these sources periodically. The Commission obtained six samples which were tested and the results filed at the Selectmen's Office. The Commission plans to continue testing these sources during construction and after the new highway is in use.

REPORT OF THE BRENTWOOD CONSERVATION COMMISSION January 26, 1983

EXCAVATION REGULATIONS

Several Conservation Commission members, at the request of the Selectmen, have been monitoring a gravel pit operation on Pine Road for compliance with the Town of Brentwood's Excavation Regulations.

Three dredge and fill request were approved during 1982.

TOWN HALL

Several work days of planting, weeding and general cleanup of the Town Hall grounds were held during 1982. More work days will be held in 1983, with the purpose of improving the plantings and keeping the grounds in good shape.

NATURE TRAIL IN TOWN AND SCHOOL FORESTS

The consultant hired by Friends from Swasey designed a plan for the trail, marked it, and developed brochures explaining the salient features. We are hopeful the trail will be ready for use this year by the school, importantly, but also by any interested residents and visitors.

In conclusion, I would like to express my appreciation to the members of the Commission for the many hours during 1982 they cheerfully gave to Commission work.

Re: The Brentwood Volunteer Rescue

The past year was exciting and rewarding for the members of the Brentwood Volunteer Rescue Squad. Thru the generous contributions of the citizens of Brentwood and the untold hours of work donated by the members of the Rescue Squad we were able to procure and pay for a 1979 Ford Custom made modular ambulance. We were forced to retire our 1968 Pontiac ambulance because of it's age, deterioration, and space requirements for equipment needed to maintain our state certification.

The Rescue Squad was also forced to update the radio equipment used on the ambulance due to equipment failures and the need for expanded communication capabilities.

Special thanks go to two "special" organizations. The Ladies Auxilary of the Brentwood Fire Department, for purchasing 2 two-way portable radios, a generous monetary gift to the ambulance fund and their never ending support of the Rescue Squad whenever the need arises.

Also, thanks to the members of the Brentwood Volunteer Firemens Association who supplied the collateral to purchase the ambulance and then gave a substantial cash contribution to put the ambulance fund over the top.

We cannot forget the people on the "Red Phones", (not to be confused with Norman "Red" Byrne). They man the telephones 24 hours a day and have to make "snap" decisions all of the time.

The rescue has set up a rotating call schedule with numerous back-up options which these people are responsible for putting into action under various emergency situations.

The Squad continues to train and update their knowledge of emergency medical care. We have merged with the Fire Department and will be working hand-in-hand with the firemen in a team effort to improve the quality of medical attention for all the residents of Brentwood.

The call activity for the year was as follows:

The ambulance was out 85 times
The ambulance was needed 89 times*
82 people were transported
8 people refused transport
3 people were transported by other ambulances due to the number of victims involved
*4 calls were handled by mutual aid when our ambulance was unavailable.

Allen Lampert E,M.T.

School District Meeting

Brentwood, N.H. March 4, 1982

The Brentwood School District Meeting held at the Firehouse on March 4, 1982 was opened by the school clerk at 7:35 P. M. Nominations for moderator pro tem were called for. Jane Byrne nominated and Al Belanger seconded the nomination of Bill Vahey wo was duly elected and sworn in. The moderator proceeded to read the warrant and the following business was conducted:

Article 1. Audrey Fletcher made a motion and was duly seconded to determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the district as presented in the budget. The motion passed by a voice vote.

Article 2. Douglas Veinotte made a motion and was duly seconded that all reports as written in the annual report be accepted. The motion carried by a voice vote in the affirmative.

Article 3. Liz Dodge made a motion and was duly seconded to see if the District will vote to expend unanticipated revenues in the sum of $4,150.00 as a supplemental appropriation in order to defray unexpected special education costs for the 1981 - 1982 fiscal year. (Said amount is available from unanticipated revenues:

$360.	unemployment insurance dividend
$172	tuition/non-resident pupils
$1,840.	rental fee/Swasey classroom
$1,750.	interest from invested funds)

Olive Tash noted that the figures as presented added to $4,122. and not $4,150. and made an amendment to alter the figure. The amendment was duly seconded and passed by a voice vote. The main motion as amended also passed by a voice vote.

Article 4. Liz Dodge made a motion and was duly seconded to see if the District will vote to change the term of office for School District Moderator, Clerk, and Treasurer from one year to a period of three years. Said change will begin with the 1983 March election. An amendment was made and seconded that said vote as so advised by counsel be taken by a ballot vote. The outcome of the ballot vote was 40 yes and 3 no. Article 4 as amended passed by a voice vote.

Article 5. Douglass Veinotte made a motion and was duly seconded to see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any source which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; must not require the expenditure of other School District funds; and must be exempt from all provisions of RSA 32 relative to limitations and expenditures of School District monies. After some discussion concerning the wording of the article a voice vote defeated article 5.

Article 6. Audrey Fletcher made a motion and was duly seconded to see if the district will authorize the School Board to make application for, accept, and expend on behalf of the School District, all gifts, advances, grants in aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U. S. Government, the State of New Hampshire or any of its municipalities or any other state, local or federal agency. Article 6 passed by a voice vote.

Article 7. Liz Dodge made a motion and was duly seconded to table article 7. The motion passed by a voice vote.

Article 8. Liz Dodge made a motion and was duly seconded to see if the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officers and agents, and for the payment of the statutory obligations the sum of $907,381.00. Discussion followed concerning the principal's salary, the new computer business services in Exeter, and special education transportation. Robert Sanborn amended the figure to $905,506.00. He was duly seconded and the amendment passed by a voice vote. The main motion as amended also passed by a voice vote.

Article 9. Al Belanger made a motion and was duly seconded to adjourn the meeting at 9:50 P.M. The motion carried in the affirmative by a voice vote.

School District Report

Superintendent of Schools, Fred B. King

Many times throughout the year someone poses a very legitimate question, "How good are the Schools of this community?" One has to base the answer on the over-all "track record" of the school and not on isolated items based on a single child. One has to look at the total continum of educational opportunities and the student performance as a result of those experiences.

The schools of SAU #16 as a public school system tries to meet the needs of each child. There is a program available which trys to fulfill this goal. Let me summarize these:

1) Regular classes designed to group students according to ability and need. Well defined objectives have been established and a systematic approach (sometimes referred to as "levels") has been established to aid the accountability of student learning in the key areas of reading, language arts and math.

2) Special education classes for students with mental exceptionalities from the educable to the severely and profoundly handicapped, emotionally disturbed, oral language impaired, hearing impaired, visually impaired, multiply handicapped, and those with learning disabilities.

3) College preparatory classes that train graduates who constantly compete at colleges throughout the United States at a successfully high level.

4) A Vocational Center that provides programs in many different vocational areas where many students gain job placement in skilled areas prior to graduation.

5) A successfully diversified co-curricular program of athletics, music, speech, drama, arts, etc., to meet the needs of all students.

6) Financially efficient operation that blends available resources with prioritized needs.

7. Competent teaching and administrative staff members who pride themselves in assisting students to develop their innate abilities.

8. Curricular course guides designed with specific objectives for student achievement to assure a degree of accountability and consistency.

9. Supplemental pupil services of guidance, counseling, social work,

health, testing, and psychological services to meet student needs.

10. A modern and efficient program of transportation.

11. An efficient program of building maintenance services and renovation where needed.

Sometimes not everyone's needs are met as well as one would like but in comparing our graduate programs and services with those of other communities I believe you would be hard pressed to find a school system that better deals with all childrens needs than does the Schools of SAU #16.

As schools look to the future two needs stand out. We need to organize a program of computer education from grades one to twelve, educate our staff and provide adequate computers and software to carry out the program. The second need deals with the high school library in Exeter. It is in need of additional space to meet the requirements of a good high school library. A committee should review and study this problem and present a solution to the Exeter School District a year from now. With the college competition today, and the need for good research skills we cannot afford to neglect the very "heart" of any school system - namely its library facility.

Since this is the last report that I shall prepare I wish to express my thanks to the many fine people whom I have met over the years. Most of my memories are pleasant ones and they certainly far outweight the disagreeable and politically oriented ones that have come my way as of late.

One way to insure that schools continue to grow is to have citizens become interested and involved. Citizens should want to know what is going on and be keenly aware of actions taken by the local school board in their behalf. Attendance at board meetings and voicing opinions is an option every citizen has and it should be utilized more frequently in the days ahead. Remember children are indeed our most important resource and we must never short change them in the name of "economy".

Principal's Report for the
Annual Town Report

Swasey Central School began its 1982 school year with M.L.Hanney as its interim principal. Margaret Griffin assumed the responsibilities of principal on October 11, 1982.

This 1982/83 school year continues to be a year of positive growth and challenge for Swasey's 183 students. In September the students returned to a more creative playground which was developed by the Brentwood Recreation Committee under the direction of Cleo Castonguay.

In October, an Apple II computer was purchased from Federal Block grant funds. The successful implemention of Swasey's computer program for grades 1-6 is due to the continued positive support and involvement of its staff and parent volunteers. Curriculum guidelines and student objectives addressing the computer will be written this spring for grades 1-6.

Curriculum revision, development, and assessment has been an identified goal by Swasey's excellent teaching staff this past year.

Curriculum areas addressed have been Handwriting and Mathematics; with Reading being addressed by an S.A.U. #16 committee. One Swasey staff member and its principal serve on this reading committee which is writing a basic reading curriculum for grades 1-6. This committee is also reviewing and recommending basal reading programs which will be adopted by the various towns over the next three years.

Also, in the area of curriculum, creativity was addressed by implementing project I.C.E. (Institute for Creative Education) Project I.C.E. trains students in the skill areas of problem solving, productive thinking, divergent thinking and improves their communication skills. Not only has project I.C.E. been shown to improve students academic achievement but it also increases their self-image and self-confidence as well.

As writing continues to be a strong focal point in Swasey's curriculum, so does the "Young Author's Program" which was again offered this year. This year also saw the adoption of a new S.A.U. #16 report card which will address more effectively each students individual progress. Our outstanding volunteer program under the direction of Cindy Sheldon received a "Blue Ribbon Award".

As a result of each volunteers' effort, our children participate in more music, physical education and art activities than was previously possible. Such volunteerism also provides our teachers with a valuable "human resource" which enriches their students' education.

It is through this positive working commitment that our school and community continues to achieve and value quality education.
